

Distance challenge
From CR 9-09

The image displays three rows of handwriting practice on a set of three horizontal lines: a top blue dashed line, a middle green dashed line, and a bottom red dashed line. Each row includes a grey curved arrow pointing downwards and to the right, and various numbered markers and brackets indicating distance challenges.

- Row 1 (Green Markers):** A grey curved arrow is labeled with a circled '2' and a green square '2'. A vertical bracket between the blue and green lines is labeled with a green square '3'. A horizontal bracket between the green and red lines is labeled with a green square '4'. A circled '3' is positioned above a series of dots. A green dashed line with a circled '1' and a green square '1' on the left, and a circled '4' and a green square '5' on the right, is shown between the blue and red lines.
- Row 2 (Blue Markers):** A grey curved arrow is labeled with a blue square '5'. A vertical bracket between the blue and green lines is labeled with a blue square '4'. A horizontal bracket between the green and red lines is labeled with a blue square '3'. A circled '1' is positioned above a series of dots. A blue dashed line with a blue square '1' on the left, and blue squares '6', '2', and '7' on the right, is shown between the blue and red lines.
- Row 3 (Blue Markers):** A grey curved arrow is labeled with a blue circle '5'. A vertical bracket between the blue and green lines is labeled with a blue circle '4'. A horizontal bracket between the green and red lines is labeled with a blue circle '3'. A circled '3' is positioned above a series of dots. A blue dashed line with a blue circle '2' on the right, and blue circles '6' and '1' on the left, is shown between the blue and red lines.
